

## listellos and decorative profiles

The line of decorative listellos provides a wide variety of finishes, suitable for endless combinations and multiple aesthetic architectural tastes, from classic to contemporary; they are applicable to all environments with ceramic tiles from kitchen to bathroom, from living rooms to large commercial spaces.

Prolist is a range of decorative listellos designed to create stylish and eye-catching aesthetic effects of wall tiles. They are available in different materials and colors, and can be coordinated to the profiles of the ranges PROTRIM and Proangle to obtain elegant and sophisticated combinations.
